12:20 p.m. BEEEEEP!

"Boy, the bells sound really bizarre."

"Well, at least the beep wakes me up. The clocks are on time now, too."

"Hey! Have you been to the new cafeteria?"

"Yeah! It's so neat. I can't believe it. I mean the whole thing is totally new. It's great! Even the food is decent."

"I went to see the Band and Student Activities building this morning. Man, I wish our classrooms would look like that."

"I know."

"What's that noise?!"

"I dunno. It sounds like a jackhammer."

"And what's that terrible smell? Hey, there's a guy on the roof over there."

"Yeah, and look at the quad and the Administration Building. It looks like someone dropped a bomb."

"Looks pretty sad. Well, I have to go to the library. Where is it now?"

"I know that. Oh yeah, it's in Saxon Hall. Let's go!"

In the library . . .

"Did you go to the dedication of the cafeteria last night?"

"Yeah. It was pretty interesting. There were so many important people there. You know, we're pretty lucky to come to this school. We're going to have the best facilities around like a new library, administration building, Saxon Hall, and gym."

"It sure costs a lot and it's a pain what with the noise and all. Still, it's worth all the trouble."

ACTIVITIES

What activity do you look forward to the most?
Keith Cambra-The Prom; it's a nice end of the year event.

Eric Nomura I like activities in which the students and the faculty are involved in a contest. It's fun to see what teachers can do besides teach.

Roy Nozaki Multi Cultural festival; it's a real treat to see how many different cultures we have in our school and I enjoy all the different costumes of the cultures. The highlight of this day is to get the great Japanese food.

Eric Ige-Sadie Hawkins'; I don't have to pay for anything and it is fun.

Sharon Aspray I look forward to the Winter Semi-formal the most because it is fun and exciting. I like to get dressed up and go out with a special person.

Vicki Reed Dances; they're groovy!

Miss Nazon-I enjoy the all-school BBQ and **any** afternoon activity schedules. Why? They give me a break from those long teaching days.

'Pumpkin Carving is what I look forward to the most. I really like to cut and gut things and get dirty. I especially like to make a real mess.

Charles Yoon

October 29, 1982 marked the day of the fifth annual Pumpkin Carving Contest and the first annual Costume Contest. Great skill, careful work and creativity were evident in all entries.

The two categories in this year's Pumpkin Carving Contest were entries with props and without props. First place in the category with props went to **CSF**. The **Chess Club** took first in the category of entries without props.

The Costume Contest had 30 contestants from which three winners were chosen. The categories included: Most Original, Scariest, and the Wild and Craziest.

Once upon a time

before there lived a race of mighty people called the Saxons. Every year it was a custom to choose a new king and queen amongst the people. Many wished to rule but only 22 were chosen as final candidates. These 22 Saxons were tested for their strength and abilities. These tests included the following: The daring Lifesaver pass, the harrowing baby bottle feed, the exciting Tag-of-War, and the thrilling relay race. Out of these 22 only ten, five princes and five princesses, were selected.

The new reign

Finally, the day came for the coronation. First, a battle had to be fought in honor of this fabulous event. On the grassy plains of North, the brave Saxon warriors fought the fierce Titans. In the hull of the battle, the dazzling princess, **Jessie Dumapias**, was crowned Queen. The battle ended and the Saxons were defeated. Nevertheless, the Saxon spirit was still strong and the subjects of the kingdom celebrated a battle well fought. As the evening wore on, the time finally came to announce the new Saxon King. All cleared the dance floor and the ceremony began. A roar of delight filled the great hall as the handsome prince, **Darin Kato**, was coronated King of the Saxons.

The ball ended at the stroke of midnight, leaving the Saxons with an over all feeling of satisfaction with the crowning of the new king and queen.

An overjoyed **Jessie Dumapias** is crowned Homecoming Queen.

Seasons Greetings

Christmas is a time which promotes goodwill and joy to all. Each holiday season brings a slew of fun activities and extra big smiles for everyone. This year's Saxon Christmas activities included a mini-float decorating contest, which was won by the Julians and Valiants, and a Christmas assembly featuring North High's Music Department. This season, as in the past, students and teachers alike gave joy and happiness through their contributions to the Can Food Drive and Toys for Tots.

Come 'n get it!

It's November 17th and you are sitting in fourth period, listening to your stomach rumble. It is five minutes before lunch and everyone begs the teacher to be let out early. "Please let us go; the lines are going to be so long!" Your teacher finally agrees and everyone rushes out the door. You reach the cafeteria and finding that you are almost first in line, you hand over your money. In return, you are given a plate filled with appetizing food. As your stomach growls even louder, you and your friends make your way to the field. You watch the water balloon toss and the three-legged race while enjoying your meal and wish that all-school barbecues and long lunches were everyday occurrences.

What has two heads, four arms, three legs, and no coordination?

The year's Daisy Mae and Lil Abner and honor held only by Juniors were **Lisa May** and **Jeff Jelski**. Sponsored by the Junior class and entertained by **Direct Drive Production**, Sadie Hawkins' proved to be quite successful and quite memorable for all who attended.

Flutists enchant the audience

Big Band, jazz, pop, and Latin American music colored this year's Pop Concert. Under the direction of **Mr. Robert Jones**, the Band and Choir successfully entertained their audience on March 10, 1983 in North High's new music room. Highlights from the show included a jazz number, "Harlem Nocturne," and a saxophone solo from Senior **Anthony Paular**.

"Meet Me In St. Louis"

Terri Abels prepares to attack Tom Christensen's leg.

Meet Me In St. Louis was a comedy about a family man, **Kory Doyle**, who is forced to move to New York. His wife and daughters, **Leslie Mowery**, **Terrie Lopez**, **Lidia Campisi**, **Adriane Flores**, and **Terri Abels** are not too keen on the idea. The girls devise a plan to prevent their father from being sent to the Big Apple by terrorizing his boss, **Tom Christensen**, and his co-worker, **Bernard Johns**. Their plan ends in disaster as the girls get their father hired. Fortunately the Smiths' problems are resolved as the World's Fair begins.

"I enjoyed doing this play," commented Senior **Lidia Campisi**, "because it gave me the opportunity to make new friends and work with some really good actors. The play started with some difficulties but in the end we were all pleased with our performances."

The characters of the play are fascinated by the fireworks.

"What's the matter with the way I dress?" asks Dan O'hara.

"Get your own box of candy," says Terri Lopez.

Multicultural Festival

A cultural experience

The second annual Multicultural Festival, held on February 16, 1983, provided a wide variety of cultural delicacies along with great entertainment. Held on the blacktop, the festival consisted of such foods as teriyaki sticks, taco salad, churros, egg rolls, corn dogs, Marhan Martinis, and ice cream sundaes just to name a few. Non food booths included balloons and photographs. On the entertainment scene, a fashion show, cultural dancing, and a performance by the choir gathered a large audience each. Overall, everyone got into the "cultural" spirit with zest, dress, and a lot of good cheer.

Scott ~

I'm glad I had you in my trig class. It was a lot of fun. So ~ What do you think of graduating from high school? Sounding? Probably not. You'd do well anywhere you go or do. So enjoy your summer - just like me.

Anyway GOOD LUCK at 7

I'd like to see you as President of the United States someday.

ACADEMICS

"The growth of the human mind is still high adventure, in many ways the highest adventure on earth." Norman Cousins

The California Scholarship Federation, sponsored by **Mr. Glen Tanaka** is one of the largest organizations at North High. Members are required to maintain an average of three A's and one B with no F's or U's. Members meeting these requirements in at least four semesters in the tenth, eleventh, and twelfth grade are eligible for life membership. Eligibility for CSF Seal Bearer Scholarships, a gold tassel at graduation, and a gold seal on the diploma are some of the benefits of being a lifetime member.

Activities included pretzel sales, a college visitation to UCLA, ice skating, CSF Disneyland night, activities such as the Multi-Cultural Festival and the I.C.C. Carnival, and a end-of-the-year banquet. President- **Grace Maki**, Vice President- **Kim Tsujimoto**, Treasurer **Carol Yonemori**, Secretary **Cayme Ueno**, I.C.C. Rep **Sharon Hayashi**

Mmmm

Hey wow! We're graduating! I remember you used to sit behind me in Norman's class freshman year and answer all the strange, & zany questions we were asked. I don't think you'll be asked any more. I remember your first year in our class and you were so shy. You were so shy that you didn't even speak in my English classes. I can't think of you in my Japanese class. Then there was Mr. Norman. Even though we didn't have the same class, we shared the same interest in Japanese. (I think) and Mr. T. Always take care and good luck at your university. I hope you know that someday I'll see you in the paper for doing something tremendous (like murder or smuggling drugs) (No, no, no, just kidding).
 Love - Grace Maki

Sammy Saxon

The North High School Achievement Awards also known as the "Sammy Saxons" are presented in all areas of the school's curriculum. In each of the categories one student is awarded a Sammy Saxon trophy and there are three certificate winners. Although only one trophy was given in each category all nominees attended the annual banquet in May, and it was a great honor. The candidates received the nominations from teachers who acknowledged their talents.

Legislative practice

Boys' State, which was held at the California State University Sacramento, is a fantastic program sponsored by the American Legion. We gained an insight as to how the state government operates in relation to county and city governments. We enacted legislation, enforced laws, and held court hearings, and basically everything our elected officials do but on a smaller scale.

My memories of Boys' State are really positive. To those that have the opportunity to go in the future, consider yourselves extremely fortunate. It is a valuable experience you'll never forget. **Darin Kato**, guest writer

Boys and Girls State representatives **Darin Kato** and **Karen Liebsack**.

My stay at Girls' State was the most unique experience in all of my school years. I spent a week at Sacramento State University with 500 girls my own age from all over California. It was a week full of learning how our government works and making special friendships.

I would like to give my special thanks and love to Miss Montgomery for nominating me and to the American Legion Auxillary for making this wonderful experience possible. **Karen Liebsack**, guest writer

Career Center

Mr. Haase in the Career Center

The Career Center, directed by Mr. William Haase, is the center of college and job information on North High's campus. Valuable reference materials can be obtained in a variety of pamphlets and college catalogues. Job opportunities are available through the Career Center along with work permits and college applications. North High is one of the few high schools with the advantage of having a career center located on campus.

The Alternative Program's main goal is to show that learning is a lifelong and exciting process. APN provides a program which allows students to take a part in planning their school curriculum and activities. An APNer may spend their entire school day in the Alternative Instruction Center participating in small group seminars and discussions or spend half of their day in the APN center and the rest in regular classes. Headed by **Dick Rose**, **Carole Shakely**, and **Dottie Carrion**, the APN program promotes individual growth and healthier attitudes toward others.

"On June 20, 1982, my adventurous journey to Mexico began on the Greyhound Bus leaving the Los Angeles bus station. After traveling thirty hours, I arrived in Culiacan, Sinaloa where I met my exchange family. My thoughtful and kind family took me to several parts of Culiacan and Mazatlan. I learned about many of their laws and customs. For example, the legal age for obtaining a driver's license is 18. I really enjoyed myself, but all good things must come to an end. I hope to return someday soon and visit the family I left behind." **Letitia McMichael**, guest writer

"My three week visit to Kashiwa, Japan was probably the most memorable event of my life. Sponsored by the Torrance Sister City Association, I was given the opportunity to live in a totally new environment, free from familiar language and customs. We stayed with a different family every week.

As we toured the city, located about 18 miles north of Tokyo we visited many schools, factories, and business corporations. Day and weekend excursions were also planned so we could see the many temples and shrines in Tokyo, Kyoto, and Nara.

Three weeks may seem long enough, but time flies and you want to stay longer. It's simply just one of the greatest things that can happen to you." **Darin Kato**, guest writer

Majorette **Debbie Hornstra** also accompanied the band to all activities, placing first in the San Dimas Parade and third in the Santa Ana Parade. Her memorable performances during the football game halftimes included twirling fire.

Band making music

Being in the North High Band was like being in a temporary state of insanity. What sane person comes to school a month before the school year begins in order to have marching practices or moves into a new million dollar building only days before school begins? Not many people are even crazy enough to attempt to teach freshmen how to march. Well, under the leadership of President **Frank Genovese** and Vice President **Eric Nomura** things went with only a small amount of problems.

Directed by **Mr. Robert Jones**, the band went on to the San Dimas Western Daze Parade and placed first in every category entered, the first time in North High history in a parade. Other parades were the San Dimas Arts and Crafts Parade, the televised Huntington Library Parade and the Torrance Armed Forces Day Parade. Fairly crazy, but totally crazy? Maybe, but I wouldn't have traded it for the world.

Student Council

"Student Council makes each year at North High unique not only for council members but also for the studentbody as well. In sponsoring Homecoming, Winter Sports Royalty, and other various activities, members benefited greatly by meeting people, learning responsibility, and working with others. Members of Student Council not only got involved for the advantage of the student body, but they also got involved for themselves. Self-satisfaction is one of the greatest rewards. When I look back to the years I was on Student Council, I will have memories I will never forget." **Cecile Wong**, A.S.B. Vice President

'North High's Julians and Valiants is an organization which provides service to the school, community, and fellow students. We were involved in community activities such as visiting children in the Headstart Program, decorating the Torrance Rose Float, visiting a convalescent home, Special Olympics, and a couple of functions serving the handicapped and the mentally retarded. School activities included co-sponsoring a new students' party with Student Council, taking care of the marquee, book check in and check out before and after the school year, passing out programs at several functions, including graduation.

The Julians and Valiants is not an all work no play club. We had several parties, progressive dinners, and a three-day snow trip to Crestline. Serving has been a lot of fun and being in the Julians and Valiants has been a rewarding experience. I've met some great friends and I have memories that will last me a lifetime." **Barbara Sawyer**, president.

Funk, mainstream rock, new wave, top 40, and rock-a-billy were just some of the many musical sounds of the year. As one spun the dial of their FM radio, one could hear these sounds from stations such as KLOS, KUTE, KROQ, and KIQQ. Under funk, the Daze, Gap Band, Prince, and the Time hit it big on the charts. Missing Persons, Berlin, and Duran Duran, successfully carried the new wave trend while the Stray Cats introduced the rock-a-billy sound to the public. On the other side of the music spectrum, Men at Work, Fleetwood Mac, Pretenders, Tom Petty, and Journey were on the top 40 mainstream rock charts. Several solo acts such as Lionel Richie, Dan Fogelberg, and Pat Benatar were successful in various music categories.

A DEDICATION OF LOVE

Friendship and love are two basic qualities,
That cannot be disguised by the best of subtleties.
Compassion, kindness, and a cheerful smile,
Add up to a special kind of class and style.
It doesn't take brains or special talent,
But it's not for sale and not for rent.
It comes from the heart, in pure innocence,
Asks only for love, and seeks no recompense

Joanne sought friendship and love above all,
She'd turn and smile at anyone's call
Though we are sad because she's now gone,
Through our example, her love will live on

Sharon Y. Setoguchi

"Our team had a lot of heart. We lost 3 close games by a total of 10 points, but we never quit fighting back. In the most exciting game of the year we rallied from a 21-6 deficit in the 4th quarter only to lose to South 21-20. After this, we still kept our heads up. We missed the playoffs by one game, but overall it was a most enjoyable season." Jared Johnson

The Varsity Football team had a favorable year despite starting with an inexperienced team. Good sportsmanship, teamwork, and exceptional effort put forth by tailback **James Harper**, led the team to finish with a fantastic 3-4 record. 14 school records, 12 of which were made by **James Harper**, highlighted the season. "The Varsity Football team was basically a very young team with 15 Juniors starting," commented **Coach Stephen Schmitz**, "but they were in every game and beat league champions in pre-season games. Juniors such as **Bernard Johns**, **Rodney Trammel**, and **Frank Tago** displayed good potential and exhibited championship attitudes. The Boys' Sophomore Cross-Country team didn't have as good a season as they had anticipated. **Coach Don Kasten** commented that he is looking forward to a better season next year due to the fine tenth graders and the four sophomores who are running with the Varsity team. The most outstanding runner was **Jerry Bell**.

The Boys' Varsity soccer team entered the season as the underdogs, but ended up being the spoilers. Playing against the toughest teams around, the team wound up beating Rolling Hills, and tying the top-ranked team, Palos Verdes. Coach **Harry Bald** commented that "this was a rebuilding year," having a team comprised of 6 seniors, 5 juniors, and 3 sophomores. The key players were **Victor Vandenberg** and **Steve Carr**. Goalie, **Ken Carr**, had outstanding performances with his saves against the tough competition.

Other exceptional players included **Kevin Aoyagi** and **Mark Fujii**.

"Although we didn't win many games, everyone pushed themselves to their highest potential. We never relied on a single player, but always worked together as a team. Our talent and inspiration to win should give North a #1 Varsity team next year." Mark Fujii

Girls' Varsity Soccer

Unprepared for the fight

The Girls Varsity soccer team started the season on a high note, winning three of their first six games. But the league proved too tough. The game plan for the other teams was simple, stop **John Nojima** and you beat the Saxons. Unfortunately for them, they couldn't stop the all world, three time All Bay League player, and thus the Saxons enjoyed their best season in recent years. The team did fairly well in pre-season games, taking second in the El Tiguero de Tournament. They won their first league game, but then went into a tailspin losing their next six games. In the second half of league play, the team played up to their potential, stunning the league by winning five of their last seven games. "This year the Girls' Varsity team had a great season, coming in third place in Bay League and advancing to C.I.F. With good teamwork, quickness, and only two seniors graduating we'll have another good season next year."

But the girls' varsity team that last year set in place a team that girls' varsity team was looking forward to even brighter things this year. But the loss of the promising **Kelly Oshiro** early in the season, and **Debbie Nishizaka** in a couple of games in the middle of the season hurt the team's chance for capturing a league crown. Nevertheless the team fought on using their quickness and speed and finished in third place and qualified for the C I F playoffs. They lost in the first round to a tough Lynwood team and ended up with a 16-9 record. The team was led by all-league players **Teiko Nishi**, **Debbie Nishizaka**, **Audrey Hata**, along with **Patricia Horn** and **Cindy Paulson**.

At least once in your life you probably have felt that irresistible urge to break free from the same daily routine and go far away to another land. Well, Senior **Ryan Shiotani** fulfilled this dream by becoming a foreign exchange student to Rennes, France.

"The School Year Abroad Program was sponsored by three East Coast private schools. Most of the students who participated in the program came from private schools. Since I came from a public school, I was honored to be accepted into the program." "My family was really nice. I had four brothers and one sister; we did so many things together, like picnics, hikes, church activities etc. My travel experiences included Normandy, Paris, Geneva, and Voutezac.

School was much more difficult in Rennes. I didn't have six periods a day, like at North, but instead I had certain classes on certain days, like a college schedule. Going to Rennes is a dream come true for me; I hope I will be able to go back soon."

Ryan was well prepared before he left for France. He attended Le Lycee Francais de Los Angeles, Berlitz Language School, UCLA, and he took correspondence courses from several universities for learning French, Italian, Russian, and Portuguese. Shiotani's travel experiences include Canada, Swaziland and other areas in Africa, and most of Western Europe. Ryan hopes to major in international relations and become an international lawyer.

Scott,

To the most successful guy I know! I hope that chocolate money you won turns into the real stuff for you someday. I really had a blast in MacArthur's last year with all the funny shows & stuff. You're such a sweet guy & I hope your life is a great one. I wish you were going so far away to school, but I'll never have a chance to see you now Scott. I know you'll be well & famous someday just remember me when that happens, ok?
 Love,

Drama Club

Actors practice
their fine art

Mike Van Asch and Demetri Grubbich show off their dazzling smiles.

The Drama Club is an organization which brings together people of any dramatic interest whether as a stage worker or stage crew or directing. Every semester a banquet was held dealing with the initiation of members into the Thespian Club. The main bulk of the club's work involved the production of school plays which was where much of the club funds went.

"Thespian Troop 1137 is a division of the Drama Club. The Troop is an international one involving high school and junior college dramatists. A person can be initiated into the Troop by working in various plays with different jobs. After earning their way in, Thespians work hard to get additional stars to show how hard they worked. It is an honor to belong in the Drama Society and a great experience." **Gail Cottrell**, Guest writer. Officers: President-**Gail Cottrell**, Vice President **Demetri Grubbich**, Secretary/Treasurer-**Jeri M. Tiley**, Sponsor-**Thomas Koehring**.

School, the final frontier

(weird music) Let us set the scene for you **Miss Nazon**, the club sponsor is sitting in the back of the room while the presiding President, **Lidia Campisi**, starts the meeting. Vice President **Mona Seki** always offers suggestions, Secretary and Treasurer **Dean Evola** keeps the club log up to "star" date, and ICC Rep. **Barbara Sawyer** keeps the club members up to date with her reports.

A seemingly normal year with the Science Fiction club includes trips to the Lasernum, the Ackermansion, the Change of Hobbit Book Store, sci-fi conventions, an end-of-the-semester trip to Disneyland, and an end-of-the-year banquet. In the Multicultural Fair the Sci-Fi club participated by vending Martian Martinis. You're now exiting the Sci-Fi zone! We will now return you back to the dimension of reality.

With an almost entirely new, unexperienced staff, we were faced with many unexpected and difficult problems. But with all their brilliance and talent everything somehow seemed to work out, even if it was a day or two before the deadline. We were very lucky to have such an understanding advisor, who trusted us at all times, but was always there when we needed her. I would've never been able to do any of this without my

Creating a yearbook with "personality" and "uniqueness" was not an easy task. There were times when I wished I could just forget the whole thing. But now my wish would be to do it one more time, all over again.

Watching a classroom of strangers develop into the fine 82-83 Vahant Staff has been a very special experience. It is a memory I'll treasure always. The people, deadlines, camaraderie, and the staff itself.

Miss Carolyn Filling has been the most wonderful advisor. Her understanding and continual support of all our crazy ideas is a truly remarkable lady.

Her patience and dedication were invaluable. Together in times of utter confusion.

I cannot express my special feelings and extreme gratitude toward this year and the 82-83 Vahant Staff enough. Thank you.

I am extremely proud of the team effort inspired by Hiroshi and Brian, that produced this successful 1983 annual. Every member of the staff was dedicated toward one major goal: a real "class" book. The creativity and technical accomplishments speak for themselves. I am privileged to have worked with a group of students that have shown their ability to achieve. It's exhilarating, a memory I hope will never fade away.

The Strong Carry On —

I can't believe our 4 yrs at North
like just yesterday & I met you for the
embell class and also your coming out for the
School Play

I've been a lot of fun knowing you these 4 yrs - even if you do like all the scary terms (eg De Paul, the culls, the Bears, the Bulls, etc) you know all their teams are hating life with love. At a cost of fun going down to the north to give the Bears a hand. I can't tell you how much I appreciate all the help and other tutors you've given me during our 4 yrs at North. Thanks for being such a great friend. Have a great summer, good luck next year at Valparaiso (however you spell it) and try to keep in touch even when you go out there. Here's my address so you can write.

Scott,
 Thanks for being on our team
 for if it wasn't for you we
 wouldn't be able to bag on
 anyone. Hey, I know your
 black but don't forget us white
 boys. You're a class guy, thanks
 for the good times and your
 stupid jokes. Keep the faith!
 SPENCE

your buddy,

Kelbschull,
 The one and only
 Haywood. What can I
 say your jokes weren't
 too dry but I'll never
 forget your Donoghue or however
 you spell it. Good Luck at
 Valparaiso and whatever you
 do in life. You're a great
 basketball player with a unique
 sense of humor. "Tree"
 Pine Dros' friends,

Scott-BIG FOOT-LOVEABLE NEBBY-HU-
 Gosh, I've only known you for four years!
 Man, we've had some great times, huh? Should
 be sports or something, how about crazy?
 Well, we've done them all and to write about
 each one would take days!
 We never really compliment each other, so I'll
 take the liberty to do it. You're very intelligent
 guy and I wish you much success! One day
 when you're rich we give you a car and
 we'll get out, I'll make you marry me and
 I'll live happily ever after. Huh? That's not
 well! (not a pay-off) that way you can see me!!
 MUA!!

Scott-
 I wish I had your
 in class this year at least.
 you gotta keep on touch!

(me-

 Carothers)

Scott,
 I'm glad we got to become friends
 in Health. Mr. McCullax was
 mean to us, huh? But anyway,
 you're a real sweet guy.
 Take care!
 Love -
 Lori Burkton

Super genius, your real cool, and your not
weird or obnoxious like OKABOJI and ME.

All these years playing basketball, and at the
